Beverage Options

Few know better than Hugo how important a well-organised distribution network for beverages is. Thanks to his tireless efforts we're able to provide you with a number of options to keep everyone happy

Beverage Tab

Make it easy for you and your guests. Tell us what beverages you want available and what your tab limit is. We'll take care of the rest

Rum Flights

Hugo made his fortune as a Rum Runner, these days he's more inclined to keeping a well stocked back bar.

If you're wanting to dip your toes into the wide world of Rum there's no better way than trying one of our Rum Flights. These are small tasting pours complete with tasting notes – for the full experience be sure to ask for one of our bar staff to share their knowledge with you

Subsidised Drinks

Want to treat your guests, but not too much? We can setup a tab where your guests pay a set amount and the balance is charged to your tab. This option is as flexible as a Russian ballerina, just tell us what your limit is and what drinks to be available and you'll be away dancing

Arrival Drinks

Wow your guests as soon as they walk through the door! We can have freshly made drinks ready and waiting for your guest's arrival from cocktails to bubbles, just let us know what you're looking for and we'll make it happen
