

SMALL PLATES

(TAPAS & TIRA-GOSTOS)

The word tapas is derived from the Spanish word tapar which means to cover. Back in the old days, tapas were thin slices of bread or meat used to cover drinks between sips to protect from fruit flies. Nowadays, tapas have become sharing dishes while having a glass of wine or beer, and still served as appetizers.

DID YOU KNOW?

Back in the 1900s, avocados were most commonly known as an 'alligator pear' & the first known guacamole recipe was from the 1600s, it consisted of just grinding avocados with sugar and lime juice.
